

Plenary/Guest Symposia Special Sessions YIC/Oral/Flash Social/Reception Breaks/Meals

Aug 23 (Sun)

11:00 - 14:00	APSN Council Meeting — FAW Meeting Room 7
14:30 - 16:00	SS1: ALBA-IBRO Session on Scientific Mobility and Identity in ... — LT 1
14:30 - 16:30	SS2: Advanced Neuroimaging for Circuit & Brain-wide Analysis — LT 3-4
14:30 - 15:20	GL1: Large Scale Cortical Population Codes — LT 2 Kenneth Harris
15:30 - 16:30	FLASH: Flash Talks: Selected Posters — LT 2
16:45 - 17:00	Opening Ceremony — Faculty Board Room
17:00 - 18:00	PL1: From Pecking Order to Ketamine – Neural Mechanisms of Social and Emotional Behaviors — Faculty Board Room Hailan Hu
18:00 - 19:00	Reception — Exhibition Area

Aug 24 (Mon)

09:00 - 10:00	PL2: The New Biology of Alpha-Synuclein: From Synaptic Protein to Diverse Pathological States — LT 3-4 Glenda Halliday
10:00 - 10:30	Coffee Break & Networking
10:30 - 12:30	S01: Neurochemical mechanisms underpinning complex behaviors — LT 3-4
	S02: Precision neuromodulation across scales: from circuit mec... — LT 2
	SS3: Bridging Basic & Clinical Neuroscience Session 1 — LT 1
	SS4: Forum on Neuroethics — Seminar Room 1
	OS1: Oral presentation session 1 — Seminar Room 3
12:30 - 14:30	Lunch, Exhibitions & Posters
13:30 - 14:15	OT1: Open Theatre on Neurotechnology — LT 1 Yulong Li
14:30 - 16:30	S03: Network rebalancing and therapeutic targets in severe neu... — Seminar Room 1
	S04: Organoid, transgenic, and environmental models of neuroch... — Seminar Room 3
	S05: Advancing stem cell technologies for neurological disorders — LT 3-4
	S06: Dynamic control of AMPA receptor trafficking across scale... — LT 1
	OS2: Oral presentation session 2 — LT 2
16:30 - 16:50	Coffee break
16:50 - 17:50	PL3: Dysregulated Synaptic Plasticity: From Alzheimer's Disease to Autism — LT 3-4 Graham Collingridge
18:00 - Onwar	Social & Networking Activities

Aug 25 (Tue)

09:00 - 10:00	PL4: From Genetic Tools to Motor Recovery, Blindsight, Decision and Neuropsychiatric Disorder in Nonhuman Primates — LT 3-4 Tadashi Isa
10:00 - 10:30	Coffee Break & Networking
10:30 - 12:30	S07: Neuroimmune interactions - new tools and discoveries — LT 3-4
	S08: Neuronal and neurochemical remodelling in pathological st... — LT 2
	YIC1: ISN-APSN Young Investigators Colloquium Session 1 — Seminar Room 3
	YIC2: ISN-APSN Young Investigators Colloquium Session 2 — Seminar Room 1
	SS5: Women in Neuroscience Forum — LT 1
12:30 - 14:30	Lunch, Exhibitions & Posters
13:30 - 14:15	OT2: Open Theatre on Neurotechnology — LT 1
14:30 - 16:30	APSN AGM — Seminar Room 2
	S09: The geometry of neural dynamics: data driven models, netw... — LT 3-4
	S10: Molecular mechanisms of neurodegenerative diseases: from ... — LT 2
	S11: From tag to trace: how synapse store lasting memories — Seminar Room 1
	S12: Behavioral and cognitive flexibility in health and diseas... — LT 1
	OS3: Oral presentation session 3 — Seminar Room 3
16:30 - 16:50	Coffee break
16:50 - 17:50	GL2: Time and Punishment: Dynamic Encoding of Emotional Memory — LT 3-4 Guest Speaker
18:00 - Onwar	Conference Gala Dinner (by invitation)

Aug 26 (Wed)

09:00 - 11:00	S13: Uncovering novel molecular mechanisms in brain diseases — LT 1
	SS6: Bridging Basic & Clinical Neuroscience Session #2 — LT 2
	YIC3: ISN-APSN Young Investigators Colloquium Session 3 — Seminar Room 1
	YIC4: ISN-APSN Young Investigators Colloquium Session 4 — Seminar Room 3
11:00 - 11:30	Coffee Break & Networking
11:30 - 13:00	S14: Synaptic strengthening in memory consolidation — Seminar Room 1
	S15: Metabolic and signaling dysregulation in pathogenesis: mo... — LT 1
	SS7: Publishing Forum — LT 2
	OS4: Oral presentation session 4 — Seminar Room 3
13:00 - 14:00	Lunch, Exhibitions & Posters
14:00 - 15:00	PL5: Deciphering the Biochemistry of Long-term Memory — LT 3-4 Haruhiko Bito
15:00 - 17:00	S16: Revisiting classical monoamine neurochemistry with next-g... — LT 1
	S17: Bridging genetic diversity to clinical innovation in Park... — LT 2
	S18: Physical exercise and brain health: mechanisms, intervent... — Seminar Room 3
	S19: Large-scale network organization underlying brain functio... — Seminar Room 1
17:05 - 17:15	Closing Ceremony and Announcement — LT 3-4
